RE: Notice of Discontinuance of Common Carrier Broadband Internet Access Transmission Service
Under Tariff and Continued Provision of Service on a Permissive Detariffed Basis

CC Docket No. 02-33

Dear Ms. Dortch,

In accordance with the FCC's 2005 *Wireline Broadband Classification Order*¹, Molalla Telephone Company, Study Area Code 532383, is hereby providing the FCC with the attached notice of the Company's discontinuance of common carrier broadband Internet access transmission service under tariff, effective July 1, 2017. Molalla Telephone Company will continue to provide common carrier wireline broadband Internet access transmission service on a permissive detariffed basis. In addition, following the notice to the FCC is the notice that Molalla Telephone Company furnished its customers of the Company's broadband Internet access transmission service.

A copy of this notice is also being sent to the Public Utility Commission of Oregon, the Governor of Oregon, and the Special Assistant for Telecommunications at the Department of Defense.

Further, Molalla Telephone Company will continue to provide Consumer Broadband-Only Loop service on a tarified basis within the National Exchange Carrier Association F.C.C. Tariff No 5.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Management
Molalla Telephone Company

¹ *Appropriate Framework for Broadband Access to the Internet Over Wireline Facilities, et al.*, CC Docket No. 02-33, *et al.*, Report and Order and Notice of Proposed Rulemaking, FCC 05-150 (rel. Sept. 23, 2005), para. 101 (*Wireline Broadband Classification Order*).

Molalla Telephone Company
Study Area Code 532383

Notice of Discontinuance of Common Carrier Broadband Internet Access Transmission Service Under Tariff and Continued Provision of Service on a Permissive Detariffed Basis

CC Docket No. 02-33

Molalla Telephone Company currently offers common carrier broadband Internet access transmission service under tariff through the National Exchange Carrier Association (NECA) Tariff F.C.C. No. 5. Molalla Telephone Company hereby provides notice that the Company has requested from NECA that it remove the Company as a provider of Digital Subscriber Line Access Services under Tariff F.C.C. No. 5, effective July 1, 2017. Molalla Telephone Company will continue to provide Consumer Broadband-Only Loop Service (CBOL) under the NECA Tariff F.C.C. No. 5.

Furthermore, Molalla Telephone Company will continue to provide common carrier wireline broadband Internet access transmission service on a permissive detariffed basis. Molalla Telephone Company will post the rates, terms and conditions of its broadband Internet access transmission services to its website of www.molalla.com. The Company will also make physical copies of its offering reflecting the rates, terms and conditions available for public inspection at its business office, at the address provided below:

Molalla Telephone Company

P.O. Box 360
Molalla, OR 97038

The discontinuance of Molalla Telephone Company's offering of broadband Internet access transmission service under tariff, and the continued provision of such service on a detariffed basis, will apply to the entirety of the Company's study area. This includes the following exchanges: Molalla.

The Company uses broadband Internet access transmission service as an input for the broadband Internet access services it offers to residential and business end-user customers. The discontinuance of the tariffed offering of broadband Internet access transmission service will have no effect on the end-user services provided by the Company to its customers.

On April 27, 2017, Molalla Telephone Company mailed its customers with the attached memorandum, which notifies them of the Company's plan to discontinue its provisioning of broadband Internet access transmission service under tariff and to continue providing such service on a detariffed basis.

RE: Notice of Detariffing of Broadband Internet Access Transmission Service

This is to notify you of a change in the way in which Molalla Telephone Company provides broadband Internet access transmission service, which is used as an input for the broadband Internet access services that you subscribe to.

Presently, Molalla Telephone Company provides broadband Internet access transmission service under tariff through the National Exchange Carrier Association (NECA) Tariff F.C.C. No. 5. Effective July 1, 2017, Molalla Telephone Company will no longer offer its transmission service under the NECA tariff. Instead, the Company will provide broadband Internet access transmission service on a common carrier, non-tariffed basis.

The discontinuance of Molalla Telephone Company's offering of broadband Internet access transmission service under tariff, and the continued provision of such service on a common carrier, non-tariffed basis, will apply to the entirety of the Company's service area. This includes the following exchanges: Molalla.

To view the rates, terms and conditions of our broadband Internet access transmission services, please visit the Company's website at www.molalla.com. In addition, printed copies of the rates, terms and conditions will be available at our office, during normal business hours.
